The Common Council held its regular meeting last night and at 8:10 nine members were in their seats, but there was ! ttle business and only two morse's of discussion

THE PRIMARY,-The democrats of the city held a primary yesterday to nominate candidates for Commonwealth's Attorney, City Sergeant, Magistrates and Constables and to elect a new city democratic commit tee, two from each ward, and delegates to the Richmond convention. Senstor Hill's strength in the city is really greater than is shown by the election of delegates, for it is known that numbers of prenounced Mill men, through personal considerations, voted for delegates whose names were on the acti-Hill ticket. The election was conductthe policy with little or no excitement at the polic throughout the day. There was a fair vote policd—1,076, divided about as follows: First ward, 216; Second, 147; Third, 421, and Fourth, 292. The vote is as
